“All Foods Sold in Schools” Procedure Effective June 1, 2015

The Healthy, Hunger-Free Kids Act of 2010 requires schools to offer healthier snack foods to children, while limiting junk food. The requirements cover the entire school day (midnight before, to 30 minutes after the end of the official school day) but do not apply during non-school hours, on weekends, or at off-campus fundraising events.

The procedures for Central Consolidated School District will include the following:

1. Concessions may not operate during the school day.
2. Schools shall not allow groups, teachers, or employees to sell foods during school hours that do not meet the requirements of the Act. The website is: <http://www.regulations.gov> Search: ðNutrition Standards for All Foods Sold in Schoolö
3. Receipts, nutrition labels and product specifications must be kept at each school site for food sales held during school day.
4. While the school cafeteria is serving food, no other food sales are permitted.
5. Fundraisers are allowed for **one school day two times per semester per school site** in which they will be allowed to sell items that do not meet the regulatory criteria of the Act. The fundraiser must be pre-approved following existing CCSD procedures.

The USDA’s policy regarding food sales is available, upon request, from the district Food Services program.
