in part when it is in the best interest of CCSD.

The District reserves the right to eliminate any Bidder who submits incomplete or inadequate responses or is not responsive to the requirements of this Bid.

7. **BID OPENING.** The contents of the bid will be available to the public at bid opening. The Procurement Department will not disclose or make public any pages of a bid on which the Bidder has stamped or imprinted “proprietary” or “confidential” subject to the following requirements.

Proprietary or confidential data shall be readily separable from the bid in order to facilitate eventual public inspection of the non-confidential portion of the offer. Confidential data is normally restricted to confidential financial information concerning the Bidder’s organization and data that qualifies as trade secret in accordance with the Uniform Trade Secrets Act, 57-3A-1 to 57-3A-7 NMSA 1978. The price of products offered or the cost of services proposed shall not be designated as proprietary of confidential information.

Any sole response that is received may be rejected by the District depending on available competition and timely needs of the District. The District reserves the right to award the contract to the responsible bidders submitted responsive bids with resulting agreements most advantageous and in the best interest of the District.

The District reserves the right to eliminate any Bidder who submits incomplete or inadequate responses or is not responsive to the requirements of this Bid.

8. **AWARD CRITERIA.** The bid will be awarded to the lowest responsible and responsive Bidder that meets or exceeds the specifications/scope of work outlined in the Bid Documents. CCSD reserves the right to the sole judge to determine “meets or exceeds”.

CCSD reserves the right to award by item, group of items, or total bids; to reject any and all bids in whole or in part, if it is in the best interests of CCSD. Additionally, the District reserves the right to reject any or all bids for any reason that the District determines prudent. Such rejection shall not result in any penalty to the District, but shall be deemed a cost of doing business by the bidder.

If this bid results in a non-exclusive discount pricing agreement, more than one award may be made. No commitment is made by the District as to quantity and frequency of purchase. Central Consolidated School District reserves the right to purchase items referenced under this agreement using any other method and from any other vendor as deemed necessary and in the best interest of the District.

9. **NEGOTIATIONS.** CCSD reserves the right to negotiate pricing with successful bidder(s) for equipment/parts/materials related to this contract but which are not specifically included herein.

10. **MULTI-AWARD.** The District reserves the right to multi-award contracts as necessary for adequate delivery or service in accordance with 13-1-153 NMSA.

It is mutually understood and agreed that the successful bidder(s) shall not assign, transfer, convey, sublet or otherwise dispose of the purchase order, contract, or his/her right, title of interest therein, or power to execute such purchase order or contract to any other person, company or corporation without the previous written consent of CCSD.

This procurement in no manner obligates Central Consolidated School District until a valid signed Price Agreement or valid Purchase Order is executed.

Any resulting purchases under the bid will be made by CCSD purchase order. Quotes provided to CCSD will be quoted as provided on the Invitation to Bid and will reference the Price Agreement number so verification of pricing can be made.

12. **PRICE IS ALL INCLUSIVE.** The bid price shall be a delivered price. All materials shall be shipped F.O.B. Destination Freight prepaid as specified in the Invitation to Bid.

All costs incurred by a Bidder in connection with responding to this Bid, the selection process undertaken in connection with this procurement, and any negotiations with the District will be borne by the Bidder.

13. **BRAND NAMES.** Where a brand-name or equal specification is used in a solicitation, the use of a brand name is for the purpose of describing the standard of quality, performance and characteristics desired and is not intended to limit or restrict competition. If a vendor proposes an "equal" to scope of work/specifications, CCSD is the sole interpreter of the scope of work/specifications and sole judge as to whether the "equal" proposed complies with the scope of work/specifications.

14. **PRICE DISCREPANCY.** Bidders shall note that prices previously submitted via any informal quotation (verbal or in writing) are hereby superseded and will not be considered for award. If you have previously submitted an informal quotation, you must participate in this bid to be considered for an award.

CCSD will not select from multiple offers on a single document. If bidder offers more than one brand/price per item, the (1) as specified or the (2) most expensive will be considered as the primary bid. Other offers will not be evaluated unless the primary bid is a low bid in its own right. If you wish to offer an alternate bid in addition to your regular bid, make extra copies of the necessary pages (including the signature pages) and submit as "Bid #2". Each bid must stand alone and comply with the terms and conditions of the contract. Bidders offering other than specified goods must submit illustrated literature and complete product data with complete citation and reference to each component part of each item for evaluation purposes.

In the event CCSD receives comparable pricing structures and list prices in the same categories, then CCSD may choose to (1) award to the vendor who submits the more comprehensive price list or (2) make multiple awards in that category.

The buyer, after review of the bids may request clarifications on information submitted by any and all bidders in a written format, with a specified deadline for response.

The District reserves the right in its sole discretion to waive minor informalities in bids submitted provided that such informalities have no effect on price, quality, quantity, fitness, delivery or any matter to be evaluated in making a selection and confer no material advantage on the Bidder whose non conformity is waived.

16. **PREFERENCES.** Bids may be awarded preference in compliance with NMSA 13-1-21 for New Mexico In-State Resident Business and Resident Veteran Business. Bidders shall include in their bid a copy of the certificate issued by State of New Mexico Taxation & Revenue.
