Written by: Mr. Perez

We are pleased to welcome you to the new school year. There have been a lot of change this summer regarding the staff here at Tsé Bit'a'í Middle School. We hope that your family is well rested and ready for the new school year. The new Principal of Tsé Bit'a'í Middle School is Mr. Max Perez who joins us from Gallup, NM. He enjoys working with students and chocolate. Mrs. Dannel Miller is the new Dean of Students who joins us from Shiprock High School. She enjoys working with students and smiling. Together as a team we hope to provide the guidance and leadership for making change at Tsé Bit'a'í Middle School. Please feel free to contact us via phone, email, or in person.

We are ready to make the changes needed for a better education for our students. We are doing this by focusing on the Common Core Standards and helping students so that they will learn these standards well. The administration and the teachers are working together to improve the school's Report Card this year. Most importantly we want to improve your child's learning so that they will be prepared for high school, college, and career.

We would also encourage you to visit our school webpage to read the Parent and Student Handbook in regards to rules, policies, and consequences. We hope to continue a positive learning environment for all students. We hope you enjoy our newsletter. Have a great weekend.

This year we have organized a school Open House for parents to come and meet your child's teacher. We hope to have incentives for families that meet all the teachers. We encourage you to bring your entire family.

During our Open House we will have a presentation by the Principal and Dean of Students regarding the our school grade, the plan for Tsé Bit'a'í Middle School, and the goals of where we would want to go. We will also have a small health fair present to take blood pressure, cholesterol, provide healthy food dem-

onstrations, and exercise examples.

We continue to encourage all parents to come speak with us for any reason and we hope that our staff continues to provide a great education for your child.

Feel free to call us, visit our website, or email us.

Physical packets can be picked up in the front office but must be completed by a physician. The two places that have offered physicals in the past they are Teen Life Center and Northern Navajo Medical Center. Our Nurse Aide may also schedule a time for physicals to be completed at school which we will notify the students about. ### New Parking Lot Procedures

Written By: Mrs. Miller

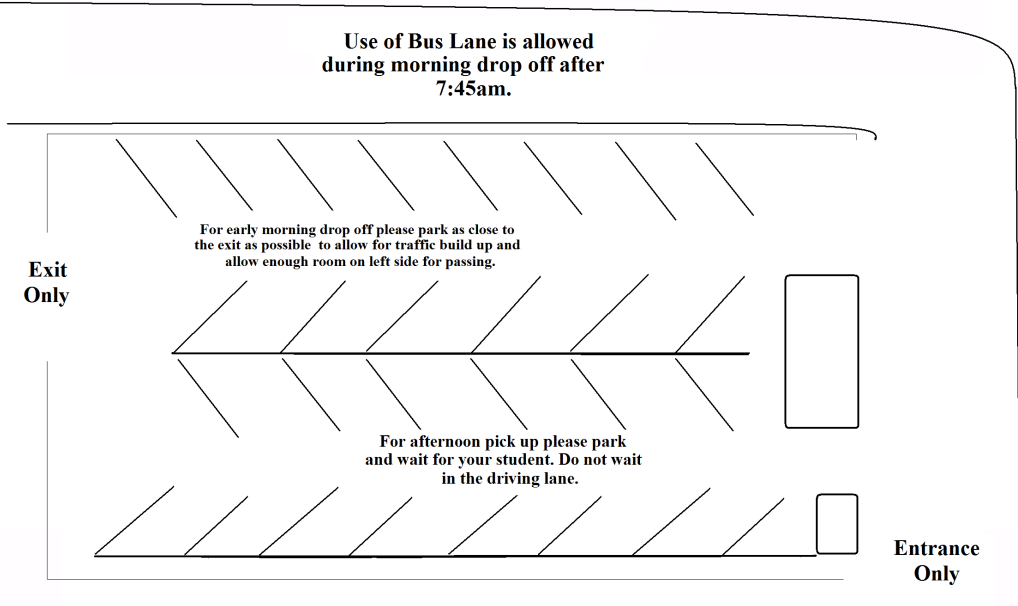

We are asking parents that drop off their students to please move as close to the exit as possible to make room for traffic behind you.

Morning drop off can use the bus lane after 7:45am.

For afternoon drop off we would like all vehicles to park and wait for their students. This allows for the traffic to continue flowing.

There is only one entrance and exit in our parking lot. Please use the correct entrance and exit.

Please help us to make drop off and pick up run safe for our students and timely for our parents.
